KINGSPORT *Originals*

Kingsport is a city full of originals. Pal's Sudden Service was born here, as was the recipe for the Original Long Island Iced Tea. The hand-carved carousel is a beloved original too, as is our music, brews, cultural experiences and outdoor adventures.

▲ KINGSPORT CAROUSEL & PARK

This one-of-a-kind carousel was hand-carved by community volunteers. Experience the magic for only \$1 per ride and marvel at the 32 rideable animals, two chariots, 24 rounding boards and 24 sweet animals and 24 bird paintings. It's a wonder to behold.

BELLAFINA CHOCOLATES

Hand-crafted, decadent chocolates created with the finest ingredients. 100% of the profits benefit charities helping children.

GYPSY CIRCUS CIDER COMPANY

Tennessee's first cidery takes pride in using locally-sourced, fresh-pressed apples. Ciders are gluten free and contain no high fructose corn syrup. The dedication of the crafters makes Gypsy Circus Cider Company the most awarded cidery in the South.

▲ THE ORIGINAL LONG ISLAND ICED TEA

The Long Island Iced Tea was first made in Kingsport on Long Island of the Holston River during the Prohibition era by Charles "Old Man" Bishop. Learn more at visitkingsport.com/longisland

As a city of makers, more originals are soon on the way!
